To: Residential Managers, Guardians of PAI Participants, and PAI Staff

From: Mike Miner, PAI President (mminer@paimn.org)

Re: **PAI Status Update**

PAI continues to thoughtfully consider options and avenues to resume services. While programming remains paused at PAI's service sites, our team is actively working on a preparedness plan to ensure a smooth return to service when the time is right.

Over the next several weeks, PAI supervisors will contact guardians and residential providers to better understand the time frame and conditions under which they feel it is most appropriate for participants to return to PAI. As that process progresses, PAI will engage staff to ensure each site has an appropriate staff ratio when needed.

Please check our website and Facebook page for updates no later than noon on Friday, May 15th.
