Re: **PAI is Suspending Service Temporarily**

PAI's Parkway site is closed effective Tuesday March 17th. The three remaining service sites—Commerce, Linden and Oakdale—will be closed effective Wednesday the 18th.

As of this writing we have no confirmed cases of COVID-19 among PAI staff or participants. Thanks in part to intensified monitoring we have detected possible symptoms among staff or participants at some sites.

This service suspension period is scheduled to last through Friday, March 27th and we hope to re-open partially or fully on Monday, March 30th. Please check our website and Facebook page for updates no later than noon on Friday March 27:

Facebook: <https://www.facebook.com/paimnorg/>

Paychecks for participants who work with us and our partners will be mailed to homes this week.

Please contact a Designated Coordinator or Program Director if you need additional information or support:

- Commerce (651) 747-8740
- Linden (651) 777-5622
- Oakdale (651) 748-0373
- Parkway (651) 426-2484

Thank you for your understanding and care during this challenging time.

Residential service providers:

Some of PAI's trained staff may become available to work in residential services or other settings on a temporary basis. Please contact Alicia McCallum, amccallum@paimn.org, to explore options.
